EXEMPTIONS

PERSONAL RELIGIOUS & MEDICAL

All **new** students, students entering **Kindergarten and 7th grade** the legal guardian must complete an on-line educational module (free of charge) and provide a copy of the completed form to the school official. The on-line course can be found at www.immunize-utah.org. *Completion of the on-line educational module can be done at the Health Department if you do not have access to a computer.* For a **medical exemption**, a written note from a licensed health care provider must be provided along with a copy of the completed on-line educational module. It should state the physical condition of the student, and why that vaccine would endanger the student's life or health.

Results of a completed **TB test (PPD)** given in the U.S. within 90 days or results of a chest x-ray taken within the last year must be presented before school attendance begins by all students who have moved in from a foreign country (except Canada) or who have been out of the country for 6 months or more.

A child may be allowed to attend school "conditionally" if at least one dose of each required immunization series has been completed and the child is currently on schedule to finish the rest. The remaining immunizations must be completed on schedule for the child to remain in attendance.
