

Bonneville Academy

Reading Achievement Throughout the School and Title I Overview

2023-2024

What is Title I?

Title I Part A, of the Elementary and Secondary Education Act (ESEA), provides financial assistance to districts and schools with high numbers of students from families who are considered “at-risk” or “disadvantaged”.

- Economically disadvantaged, disabled, migrants, or those who have limited English proficiency.

The goal behind Title I is to “ensure all children have a fair, equal, and significant opportunity to obtain a high quality education and reach at least proficiency in state academic standards and assessments”.

Title I Fund Approaches

Title I provides funds to schools and districts to provide additional support and learning opportunities so all students can master the curriculum and meet the states challenging standards.

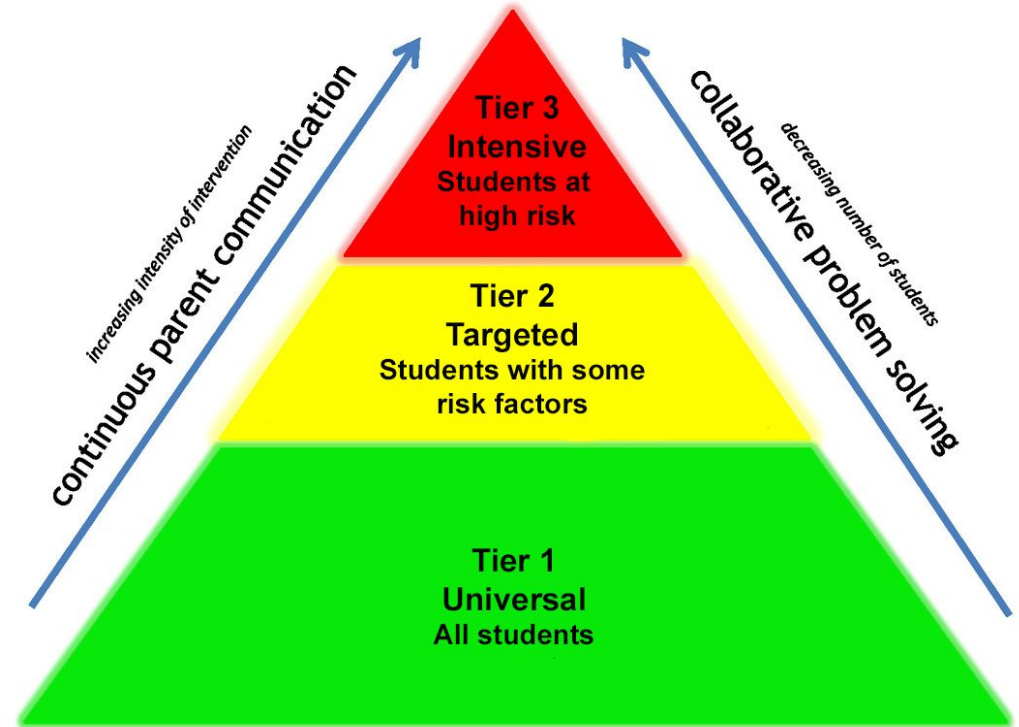

Two Approaches:

1. Targeted Approach: Only the percentage of students who are considered “at-risk” or “disadvantaged” are getting supports with funds.
2. Whole School Approach: Whole school regardless of students who considered “at-risk” or “disadvantaged” are getting supports based on needs.

How does Bonneville Academy use Title I Funds?

About 25% of students qualify as “at-risk” but there is also a large academic need.

Bonneville Academy has established that we will allocate these funds for tiered support for our students.

Why Use Title I for Tier 2 Support?

2022 LEXIA Achievement

- On Target
- Some Risk
- High Risk

Nov 1, 2022

Performance During: Oct 1-31, 2022

Next Update: Dec 1, 2022

School Goals and Use of Title I Funds

Bonneville Academy's Overarching Goal for the 2023-2024 School Year

Bonneville Academy will have at least 60% proficiency on end of year testing and assessment during the 2023/2024 school year.

In order to do this, we have allocated part of our Title I funds for Tier 2 support.

How can you help in this process?

We know parents and family members are huge for student success and we thank you for all that you do!

- Some are on school committees which plan and vote for things that our school needs.
- Some volunteer in their child's classroom.
- Many work with their child at home to continue their learning and reach out to the teacher.
- Plus so many other ways to help!

Parent Rights

Parents have a right to know:

- The curriculum and assessments the school uses
- The qualifications of the teachers and paraprofessionals
- The academic growth of their students
- Information regarding the Title I program and how funds are used
- The policies that are used to govern the Title I program
-

Parent Involvement

There are many ways parents can be involved in their student's education

- School committees- research and recommend changes to the school administration or board of directors
- Volunteer in the classroom
- Join the Board of Directors
- Join the Parent Teacher Organization (PTO)
- Support your students at home by helping with work and being prepared to come to school
