

Ms. Reed's Classroom Supply List 2020-21

Hello everyone!

I know this year is going to be interesting, exciting and fun, and the more items we do not have to share, the safer we will be able to be in class. While 99% of my assignments will be online, there may be a few (like posters and projects) that will require the use of paper, pencil, and artistic supplies.

There are also some items that you may simply want to provide a personal supply of to help maintain the physical distance requirements within the classroom.

Below is a list of what you should, and may bring to my class.

Required:

- Pencil
- Pen
- Dry-erase marker
- Notebook
- Highlighter
- Reading Book (I do have a classroom library that books can be checked out of, there will simply be restrictions to accommodate safety measures)

Will come in handy:

- Scissors
- Colored Pencils
- Personal hand sanitizer
- Personal tissues
- Full water bottle (remember the drinking fountains will not be on)

Completely optional:

- Laptop (if you have your own and would rather not share, however computers will be provided in class)

Classroom Donations (anytime! We will go through them):

- Hand sanitizer
- Disinfectant wipes
- Tissues
- Dry-erase markers

Before school starts donations:

- PVC pipes (6ft length)
- PVC pipe joints

- Clear shower curtains (these 3 items make easy screens to help provide appropriate physical distance)
