

Holiday Shoppe

This committee will plan and set up a day sometime in December (preferably Saturday) to sell items to the community.

Items to sell can be organized through a company such as Penguin Patch, they send items for us to sell and whatever we don't sell we send back. Shoppe will be set up with different local vendors, items from the PTO to sell and pancakes with Santa. A ticket is purchased to eat pancakes with Santa and to purchase items. Items from Penguin Patch will be set up for the week to sell to students.
