MARINER MESSAGE

From LeeAnn Prince, Director

Hello Bonneville Parents,

I wanted to take a moment and recap the information we sent to parents last week regarding the COVID situation. As I said last week we are seeing an uptake of COVID numbers. We had the health department come and offer testing. There were five positive cases. In a debrief meeting with the health department it was mentioned that because Bonneville Academy started earlier than the district and some charters, they will be using Bonneville as a template for what will be seen in all schools in the next weeks.

We have been diligent in contact tracing. Each and every case has been tracked by camera and all students that were within 6 feet for more than 15 minutes of a positive case have been quarantined. We have been able to track all cases to two students who were sent to school sick the first week of school. PLEASE do not send your children to school with symptoms!

In light of quarantines, we will be implementing an online model for those students who are sick, quarantined, or live in high rise households. Your child's teacher should be have contacted you with information about Google Classroom or packets and how that will look for your child. Chromebooks will be checked out to those who need them starting today.

Bonneville is social distancing where possible, increasing our sanitation measures, fogging once a day, wiping down high touch surfaces, encouraging staff and students to wash and/or sanitizing hands, limiting the number of visitors, and running our ventilation system at capacity. Your student's health and safety is our first priority, their academic achievement follows closely. We will do everything in our control to deliver both. We respectfully ask that you consider sending your child in a mask, get your child vaccinated if eligible and keep them at home to do online school if they have any symptoms.

If you have questions please call the school at 435-315-2080. Thank you for being patient and helping us eradicate COVID at Bonneville.

PARENT TEACHER ORGANIZATION

This month we will be having our first book fair and we need lots of help! Please sign up by clicking on the blue Book Fair box.

We are also extending our Spirit Wear ordering time until **September 13th** to help our students who may not have had a chance to order. Payment must be turned in with the order form. If you paying via Venmo you can also choose to submit an electronic order form to pto@bonnevilleacademy.org.

Our Venmo is "Bonneville Academy PTO" and has a picture of our Sea Turtle next to it.

Bonneville Academy has a 20 hour volunteer policy for each family and we have many volunteer opportunities to put those hours to work! Click on the links* below for more information or contact Brita Hall at pto@bonnevilleacademy.org.

You can also visit our [website](#) to learn more about PTO committees.

*If you have trouble viewing these links please try opening them on your desktop computer.
