1. Purpose:
The purpose of the formal educator evaluation system of Bonneville Academy is to insure that the best possible instruction and learning are accomplished and to provide feedback to the educator in order to promote professional growth in conjunction with the educator's plan for professional development. The evaluation process is also intended to establish behaviors that contribute to student progress.

2. Policy
The Bonneville Academy Board of Directors (Board) understands the importance of guaranteeing that every child has an effective educator. Research shows that educator quality
affects student achievement greater than any other school based variable. It is the policy of the Board to focus on preparing, recruiting, and retaining quality educators as primary strategies to boost academic achievement. By linking educator evaluation with academic standards for students and professional standards for educators, the Board will ensure that educator evaluation is effective tool for improving instructional practice and raising student achievement.

3. Procedure for Educator Evaluation:

3.1 Definitions

"Educator" means an individual licensed under Utah Code Section 53A-6-104 who, as a condition of licensure, is required to comply with the standards and requirements of Utah Administrative Rule R277-530 and R277-531. For the purpose of this policy an educator does not include individuals who work less than three hours per day or who are hired for less than half of a school year.

“Formative Evaluation” means evaluations that provide Educators with feedback on how to improve their performance. The Administrator conducting a Formative Evaluation may review applicable and available Educator Evaluation Multiple Lines of Evidence to include, but not limited to observations, evidence, Educator effectiveness, stakeholder input, student growth and information obtained from at least two Walk-through Evaluations. This information may be used to “re-validate” the most recent Summative Evaluation or as a basis to conduct a formal Summative Evaluation. Formative Educator Evaluation is based on the Effectiveness Standards.

"Misconduct" means conduct that is designated as a cause for termination or disciplinary action under Section 53A-8a-501, a violation of Academy Policy or a reason for license discipline by the State Board of Education or as a basis for action recommended by the Utah Professional Practices Advisory Commission. Misconduct also includes, but is not limited to, a violation of work rules; a violation of Board policies, State Board of Education rules, directives issued by an administrator or supervisor, or law; a violation of standards of ethical, moral, or professional conduct; or insubordination.

“Summative Evaluation” means evaluations that are used to make annual decisions or ratings of Educator performance and may inform decisions on salary, continued employment, personnel assignments, or dismissals.

“Unsatisfactory performance” means a deficiency in performing work tasks which may be due to insufficient or undeveloped skills, lack of knowledge or aptitude, poor attitude, or insufficient
effort; and remediated through training, study, mentoring, practice, or greater effort.
Unsatisfactory performance does not include Misconduct.

“Utah Effective Teaching Standards” identified in Utah Administrative Rule R277-530.

Utah Code governing Educator Evaluations is contained in Utah Code 53A-8a-401 et seq.

shall begin when the employee receives the written notice provided and end when the determination is made that the employee has successfully remediated the deficiency.

3.4.2.3. The Director may extend the period of time for implementing a plan of assistance beyond 120 school days if:

- The employee has been approved and qualifies for leave under the Family Medical Leave Act during the time period the plan of assistance is scheduled to be implemented; or
- For other compelling reasons as approved by the Board if the leave was scheduled before the employee was placed on a Plan of Assistance.

3.4.2.4. If upon a reevaluation of the employee's performance, the Academy determines the employee's performance is satisfactory, and within a three-year period after the initial documentation of unsatisfactory performance for the same deficiency, the employee's performance is determined to be unsatisfactory, the Academy may elect to not renew or terminate the employee's work agreement without implementing a new Plan of Assistance.
