EMPLOYMENT OF RELATIVES POLICY

The employment of qualified relatives of employees shall be permitted as long as such employment does not create actual or perceived conflicts of interest. For purposes of this policy, "relative" is a spouse, child, parent, sibling, grandparent, grandchild, or corresponding in-law or "step" relation. The school will exercise sound business judgment in the placement of related employees in accordance with the following guidelines:

- Individuals who are related by blood or marriage are permitted to work in the school, provided no direct reporting or supervisory/management relationship exists. That is, no employee is permitted to work within the "chain of command" of a relative such that one relative's work responsibilities, salary, or career progress could be influenced by the other relative.
- Employees who marry while employed are treated in accordance with these guidelines.

This policy applies to all categories of employment, including regular, temporary, and part-time classifications.
